Subject: meeting on wipke proposal
To: levinthal

suggest you have it without me. i will be out of town on the 23.
meeting on the 21 would not be too bad, but i dont know my schedule.

my views on wiplexxx wipke's proposal track very closely those
expressed by smith, buchanan, et. al. i have discussed with
lederberg my favorable attitude toward the proposal, and found that
he shared my view.

i agree with tom's fine analysis of wipke's potential useage needs.
